

# BASIC REQUIRED FOOD LABELING COMPONENTS

## LABEL EXAMPLE (COTTAGE FOOD PRODUCTION)

*This label example is just one way to present the information required on a food product label. Information may be placed in different ways and may appear on more than one label. Labels must comply with all applicable regulations and all information must be accurate and not misleading.*

**Ingredient List** – Ingredients shall be listed by common or usual name in descending order of predominance by weight. Meaning, the ingredient that weighs the most is listed first, followed by the next heaviest ingredient, with the ingredient that weighs the least listed last. Any ingredient that is composed of two or more ingredients (sub-ingredients) shall be declared in the *Ingredient List*. Sub-ingredients shall be designated in the *Ingredient List* by declaring the established common or usual name of the ingredient, followed by a parenthetical listing of all the ingredients contained therein in descending order of predominance.

Ref: CFR 21, Part 101.4

**Statement of Identity** – The *Statement of Identity* is the name of the food. The name shall be the common or usual name of the food, and shall accurately identify or describe the basic nature of the food or its characterizing properties or ingredients.

Ref: CFR 21, Part 101.3

**Statement of Responsibility**

– Shall include the:

Business Name  
Street Address  
City, State, Zip Code

All information in the *Statement of Responsibility* shall be continuous. If the business name is listed in the local telephone directory, the street address may be omitted. If the business name is listed in the local telephone directory, a Post Office Box may be used in place of the street address.

Telephone numbers, web-site addresses, and e-mail addresses are permitted, but not required. This type of extra information shall not be placed between the *Ingredient List* and the *Statement of Responsibility*.
